Reasons for comment:	
Comments:	I am submitting my support for this application. The proposed building will be a welcome addition to our lane and will much improve the aesthetics in the area and utilise the space in a more positive way. It is a well thought out plan supporting Bolney neighbourhood development providing sufficient internal space for a future occupier delivering high-quality housing. It is consistent in scale with neighbouring properties. I am very much in favour of the plans moving forward. Thank you for your time.

Kind regards
