Reasons for comment:	
Comments:	This is an update to my previous response. Now that the plans have been updated to show the red outline in approximately the correct position, I am now happy to support this planning application subject to a condition being added that ensures access, turning and parking is kept clear 24/7 throughout development as this is required for carers and emergency access for multiple vulnerable residents in surrounding properties. Given

the proximity of other residents in what is effectively an enclosed courtyard, works should be restricted to 9am-5pm Monday-Friday and 9am-1pm Saturdays.

Kind regards
