Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I regularly visit Saint Hill for their family events and currently the parking is an issue. If the weather has been fine some of the field can be used for parking but often it's too wet and we have to park in the rugby club, sports club or on the road and it's dangerous

with kids having to cross the road, etc. The same applies when the sports centre and rugby club has events.

Kind regards
