Good afternoon,

Thank you for your email. I can confirm the screen in place is the one this application refers to. I believe it was installed last month but I would need to check with my client if you need an exact date.

Please let me know if you need any further information.

Kind regards

Dear David,

Having visited the site I noticed that the digital display screen has been installed. Can you confirm when this was installed or is the proposal to replace an existing display with a newer display?

Kind regards

Peter
