Reasons for comment:	
Comments:	I cannot stress enough how a Patel court next to the bowls green would impact the peaceful game that requires concentration. I understanding there will be no extra parking this will create problems for the Swimming pool, the Bowls club has many competitions with teams from outside areas. The car park also serves as a overspill for hospital visitors at peak times which creates problems even now at times.

It would certainly help to have an acoustic fence between the
Green and said Patel court.
From a St.Francis Bowls Club Member.
