Hi Joseph,

Thanks for sending this over.

I've reviewed the amended report and am satisfied it meets the requirements of Condition 11(b). No significant archaeological remains were uncovered during the work. Accordingly, I can recommend the full discharge of Condition 11 as relates to Parcel P1.3 only. No further archaeological work is required in this land parcel.

Any questions just let me know.

Kind regards,

Mark

Good morning Mark,

Thank you for your comments.

Following these, I have gone back to the applicant and received the attached additional information.

Is this now sufficient to address the requirements of condition 11(b)?

Many thanks
