Dear Andrew,

RE: DM/25/3281– Land At Hurstpierpoint College Malthouse Lane Hurstpierpoint West Sussex

Thank you for your consultation on the above site. We have reviewed the application and information relating to drainage and flood risk and wish to make the following comments.

The applicant is applying for the discharge of Conditions 3 and 5 relating to planning reference DM/25/2616. We have reviewed the information in relation to Condition 3 as it relates to drainage.

The Flood Risk and Drainage Team previously responded to this application on the 16 February 2026 stating several objections to the application. Since this response, the applicant has provided updated information to address our concerns.

Following a review of the updated information, we have noted sufficient information has now been provided to meet the wording of Condition 3.

Therefore, we would recommend the discharge of Condition 3.

Yours sincerely,

**Flood Risk and Drainage Team
