### Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	With 40 more dwellings which could result in 80 or more vehicles it would cause chaos with a new road being opposite the village school. Traffic especially round school pick up and drop off would increase to a dangerous level.

The school had already tried to employ another lollypop person to aid with the children crossing the road by the fire station but nothing has come from this. Totally object to this development happening when safety isn't a priority!
