ARCHAEOLOGICAL ADVICE

RE: 50 Hurst Road, Hassocks, West Sussex

The application is for Discharge of condition no 4 relating to planning application DM/24/2504.

The submitted Written Scheme of Investigation suitably outlines the methodology and archiving requirements of the scheme of archaeological work.

As a result, I am happy to recommend the partial discharge of Condition 4, to allow the archaeological work to commence.

The remainder of Condition 4 should not be discharged until the completion of the archaeological work (including any mitigation, if required) and the submission and approval of an archaeological report detailing the results of work.
