Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I would like to strongly object to the application for a telecommunications mast (Ref: DM/25/1495) on the grounds of its significant overbearing impact and loss of outlook, the detrimental impact on local wildlife and ecology, the loss of important trees, the potential light and noise impact from the proposed installation upon the residents of the adjacent housing estate.

A similar application (DM/24/0880) was refused by this council,
and I would urge the planning officer reject this application.

Kind regards
