Reasons for comment:	
Comments:	<p>I oppose the demolition of 9-11 of Woodlands Close and the construction of a new development of 48 houses.</p> <p>The village school is already unable to offer a place to all the children in the village and our GP Practice is under special measures and it's very difficult to get an appointment.</p>

The village cannot accommodate 48 new families without any investment on essential infrastructure by the government. The proposed access to the new development doesn't look safe and would substantially increase the traffic in the area. It's also becoming increasingly difficult and unsafe to exit the village on Turners Hill Rd due to increased traffic in the area. Please respect our choice to live in a small village with plenty of greenery and safe for children to cycle around.
