Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to both the demolition of the existing properties in Woodlands Close and the building of the new properties in the land adjacent to Burleigh Lane. The infrastructure in Crawley Down is already woefully inadequate for the population with it being almost impossible to get a doctors appointment, insufficient capacity in the village shops and local parking already overflowing

all round it's lunacy to add yet more volume of residents. The proposed demolition of properties to create the new access road, leaving a single bungalow on an island surrounded by roads is truly malevolent and should not be countenanced by any right thinking person - it would be disastrous and traumatising to the resident.

Kind regards
