To reduce two Silver Birch by 2 - 3m all the way around and no further than previous cut points.
Mrs Jackie Byrne**

Permission is sought for the works as described.

The application has been amended slightly to more accurately reflect the works.

The trees are mature specimens, located in the rear garden. Visibility is limited to views over roof tops. The trees have previously been reduced.

Works will repeat those previously carried out and will address overhang and shading issues.

Permission is recommended.

Decision: Permission
