Hello Caroline

With regard to the prolonged development of 4 Ashenground Close, it is completely out of character to all the other properties in the Close, the brick wall around the front of the property looks awful.

With all this building work going on we have had to put up with excessive noise, dust, builders bad languages and large lorries delivering materials, always stacked in the front garden, at one time there was 3 JCB's parked in the front, this has been going on for nearly 4 years. [Enough time to have built an estate.]

As you can gather I am not happy with all this development. should never been allowed to happen.

Best regards.
