PROPOSED LAYOUT

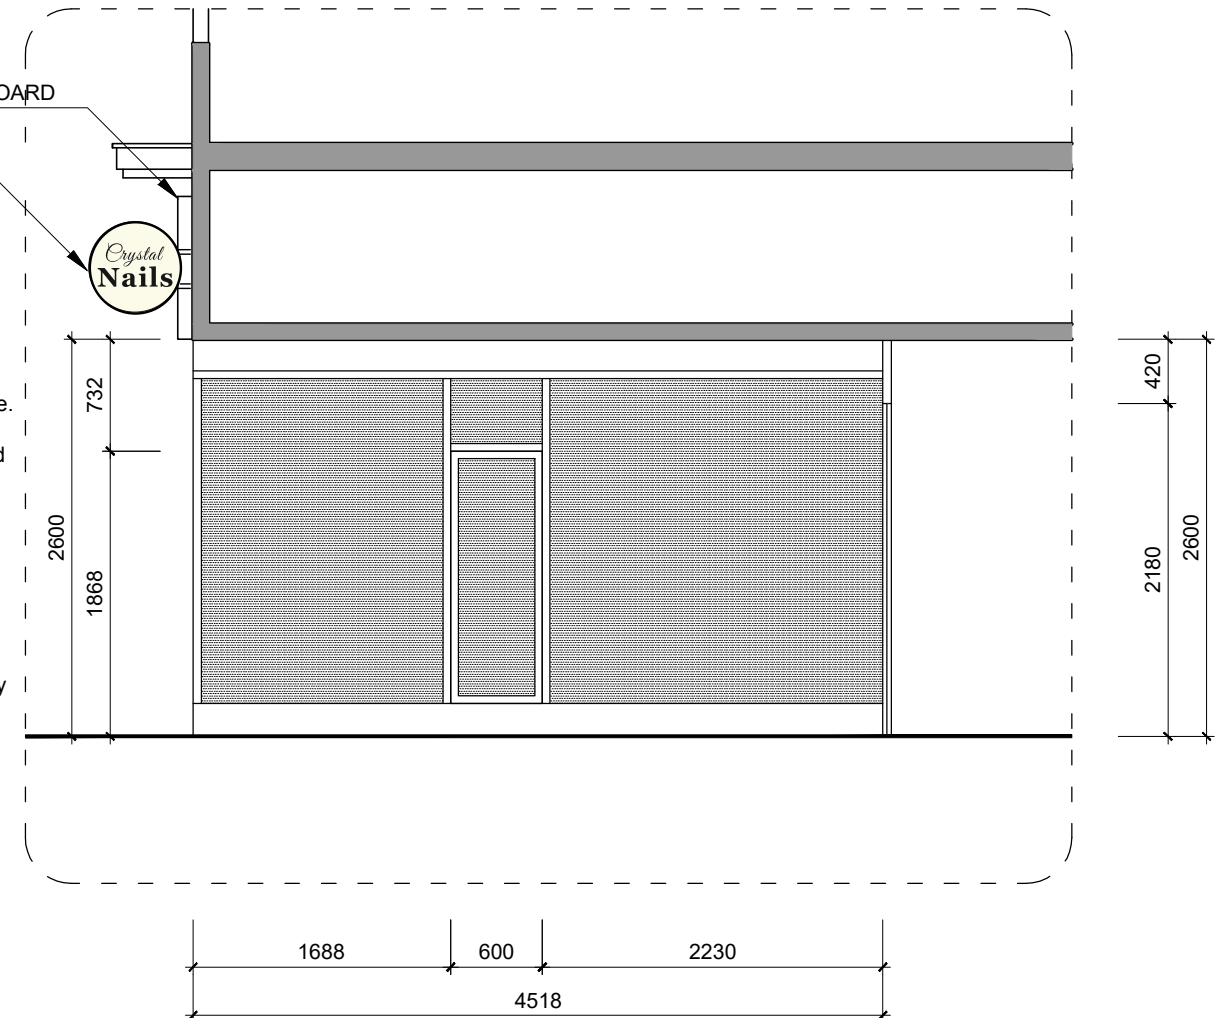

NEW SIGN BOARD

NEW HANGING SIGN BOARD

Proposed circular aluminium projecting sign, 600 mm diameter and 100 mm thick, mounted on a 150 mm hanging bracket, giving an overall projection of 750 mm from the façade.

Ivory face with recessed aluminium lettering reading "Crystal Nails Bar".

Internally illuminated with static LED back-lighting. 12 V low-voltage power supply. Illumination to be steady and non-dazzling.
