Dear Janine,

I am writing further to my previous email and our telephone conversation regarding application DM/24/1373 (Land at Tyler House).

This is to confirm that my email related to the application that was submitted in 2024 for the construction of a dwelling house. As set out, if I have no response to my email (below for reference) by Friday 30th January then we will treat this application as not proceeded with, closing the application. Please be advised that, as the application was made valid and a consultation issued, that we would not be able to issue a refund.

Kind regards,
Caroline

Subject: RE: DM/24/1373: Land At Tyler House, Cross Colwood Lane, Bolney

Dear Janine,

I am writing further to our previous correspondence regarding the planning application at Land at Tyler House, Cross Colwood Lane, Bolney (DM/24/1373).

As previously set out, a BNG assessment is required in order for us to determine this application. I would also advise that a new application has been submitted, under reference DM/25/2970, to change the use of this building from a holiday let to a dwellinghouse.

If we do not receive the requested information, or a response on how progressing with the information and timescale for when provided, by Friday 30th January then we will treat the application as not proceeded with, closing the application. The application can still be withdrawn, if wished, however I would require confirmation of this in writing by Friday 30th January.

Kind regards,
Caroline

Subject: RE: DM/24/1373: Land At Tyler House, Cross Colwood Lane, Bolney

Dear Janine,

I am writing further to our previous correspondence regarding the above planning application.

As of yet the BNG assessment has not been received and our extension of time ended on Friday. I have been advised that, as this information is a validation requirement, the application can be made invalid whilst it is being prepared.

The application will therefore be made invalid, to save the need for further extensions of time, and once we have received the details the application will be started again and re-consultation issued.

If there is anything further then do let me know,

Kind regards,
Caroline

Dear Janine,

Thank you for the email confirming and I will get the application updated to reflect this.

If there is anything further then do let me know,

Kind regards,
Caroline

Hi Caroline

That's perfect thank you! I'm producing the assessment.

Kind regards

Janine

Dear Janine,

Thank you for getting back to me, it is much appreciated.

Would an initial extension of time until Friday 20th September be agreeable, for the information to be provided? This can be kept under review if needed.

For my reference, can I ask if you are providing further information in relation to an exemption or the relevant BNG assessment?

Kind regards,
Caroline

DM/24/1373: Land At Tyler House, Cross Colwood Lane, Bolney

Dear Caroline

Thanks for your email and sincere apologies for the delay in reverting. I've been on holiday!

I seem to be delayed with BNG but chasing. Please could we agree an extension - say 3 weeks?

Thanks for your help.

Please don't hesitate to contact me to discuss.

Kind regards

Janine

Dear Janine,

I am writing further to our previous correspondence regarding the current application at Tyler House.

As it stands no further information has been received in relation to BNG. I am aware that the application is due to be determined on Monday 26th August, however without the BNG information we are unable to do so.

If further time is required, please do advise on an indicative timescale and an extension of time can be agreed to reflect this.

Kind regards,

Caroline

Dear Janine,

DM/24/1373: Land At Tyler House, Cross Colwood Lane, Bolney

I am writing with regards to the above planning application, for which I am the Case Officer.

On a review of this submission I have noted that no information has been supplied in relation to Biodiversity Net Gain (BNG). I note that the application form states that it is not required due to a previous permission resolved with planting, however this is not a de minimis exemption.

Please can you provide further information, consistent with the BNG legislation, as to why the development is exempt or provide the relevant assessment.

Kind regards,
Caroline
