| Reasons for comment: |                                                                                                                                                                                                                                                                                                                             |
| Comments:            | All efforts should be made to reduce the demand on the electricity supply locally. Installing solar panels on this development would go towards achieving this. Sustainability must be forefront in all planning matters and developers should not be allowed to opt out of their responsibilities for whatever the reason. |

Kind regards
