Reasons for comment:	
Comments:	Looking at the submitted plans, I have three concerns: One. The line of the extension wall appears to show it partially over the sewer system inspection point. This carries not only the outfall from the en-suite at No 5, but also the entire outfall from our property at No 10, and should remain accessible. Two. There is a long, narrow window in the extension that faces directly towards our property. I cannot be sure if this will be above fence height, but would request that it is glazed in obscured glass to avoid our patio and garden being overlooked.

Three. The change of vehicle drive access at the front of the property appears to mean that the entire frontage of No 5 will have dropped curb, thus reducing available on street parking for residents of Court Close.

Kind regards
