Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Mid Sussex and Haywards Heath Councils and Planning Committees list some of the aspects of a planning application that can/should be considered: 1. The effect of the proposed development on the appearance of the area

2. The quality of the design
3. Significant overbearing impact and loss of outlook
4. Highway safety issues
5. Loss of important trees
6. Intrusion into the countryside
7. Significantly increased noise and disturbance.

All of these issues are fundamental to the Proposed overall development and particularly Parcel 4.

Please will the Committees comment on these aspects, and especially the Planning Case Officer (who for five years has only commented on the 'Loss of view').

Kind regards
