Notes

Do not scale, use figured dimensions only.

All dimensions to be verified on site prior to the commencement of any work or the production of any shop drawing. All discrepancies to be reported to the Architect.

This drawing is to be read in conjunction with all related Architect's and Engineer's drawings and any other relevant information. It is the contractors responsibility to ensure that all works are in compliance with Building Regulations.

This drawing is copyright of David Jenkins Design.

Existing North West

Carry out repair works with Code 4 Lead and Soakers to chimney abutment as outlined in attached specification

Replace existing cast iron guttering with black-painted cast-effect aluminium gutters

Proposed North West

Tiles on front roof slope and ridges to be stripped and re-roofed as described in attached specification

Existing South East

Localised repairs on slipped or frost-damaged peg tiles only, on rear elevation roof slopes, as described in attached specification

Proposed South East

Clean and re-bed serviceable existing bonnet tiles with lime-based mortar and matching reclaimed bonnets as described in attached specification
