Dear Katherine,

Thank you for your email regarding this application at Burgess Hill Burial Ground.

Please find attached the revised (annotated revision A) Proposed Site Plan (2414-003A) indicating the elements requested:

- Elevation of the proposed bollards
- Elevation of the proposed gates to the storage yard
- Details of the native species mix for the proposed hedging

Hopefully this meets the request for further information, but please let me know if there is anything else, thank you.

Kind regards,
Stuart
