Reasons for comment:	
Comments:	This land is totally unsuitable for this tyoe of development. The access would be onto a very narrow street, directly opposite the village hall. The Street in Bolney is wholly unsuitable for the plant required to build houses to access this site having very little pavement and no pavement in karge parts, school children walking to school from The Rawson Hall every day, together with an Under 5s Group, Community Cafe and various activities (eg football for kids, football for adults and various fitness /dance

classes) which take place throughout the day in The Hall where the access is directly opposite. A nightmare location.

Kind regards
