Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	This property has been known to me for many years - I fully support the application. Previously a timber fence and gate were in place; therefore, these replacements restore rather than change. It's smart and well maintained appropriate to both the house and our village. This improvement lends itself to the property's appearance.

Kind regards
