Good afternoon Rachel,

Please see attached our formal response to West Sussex County Council Highways Authority's Comments on the above application. The response comprises the following:

- Highways Technical Note (providing a detailed response to the comments received and the additional modelling requested);
- Updated Travel Plan;
- Amended site layout plans to reflect changes made in response to the comments received.

Whilst we expect you will re-consult the Highway Authority directly, we will endeavour to share this with them too whilst keeping you copied.

We trust this addresses the comments, however if there are any queries, please do let us know.

Kind regards,
Jordan
