Hi Katherine,

This would delay matters. Can this not be dealt with by condition? I don't recall another project where we have had to provide this prior to determination.

Best regards,

Tim

Hi Tim,

Thank you for your email.

We are currently experiencing significant delays in responses from our Ecologist Consultants due to staffing issues, this is now being resolved however there is a backlog in consultations. I am chasing for an update regarding a timeframe for a response.

I also note that Nature Space recommend that the Precautionary Working Methods Statement is submitted prior to determination, can this be provided.

My apologies for this delay.

Kind Regards
