Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Saint Hill urgently needs an overflow car park in the adjoining field to support the many events it hosts. These events bring a large number of visitors and contribute significantly to the local economy, especially during the annual gatherings. The extra

parking is both necessary and widely supported, as it would help reduce congestion and make events run more smoothly.

Kind regards
