Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I agree with the application as it will facilitate the Church's international gathering each year and I won't have to step through a muddy field and will also be very useful for the thousands of people from the local community who attend family-friendly

events, such as Easter Egg Hunt, Bonfire Night, Christmas events, etc. it will also greatly help assist families attending the Rugby Club and the various Sports Club activities, taking cars away from parking on the verge of the road.

Kind regards
