Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I support the application for this Car Park . Large numbers of the general public who attend events such as the Easter Egg Hunt, Christmas Lights Switch On and Church events will be happy to use this safe space

The extra car parking space will also be a great asset to share with the Local Sports Club events overflow and the Rugby Club. By having this designated space it ensures no parking on the roadside verges.

Kind regards
