Address	

TPO Details

Are you seeking consent for works to tree(s) subject to TPO	Yes
Are you wishing to carry out works to tree(s) in a conservation area?	No
If you know which TPO protects the tree (s), enter its title or number	Reference - GR/07/TPO/90
Please identify the tree(s) and provide a full and clear specification of the works you want to carry out	Tree label - W1 Mixed Broadleaves and Conifers The works we would like to carry out are as follows; - the removal of 4 dead Conifer trees, which are visibly completely dead, and are at risk of snapping and/or falling down. - a reduction of a low limb on an Oak tree by 2-3 metres to reduce the weight and leverage of the specified limb. - to also remove 2-3 metres off the top of the remaining 3 Conifer trees left.

Additional Information

Sketch plan clearly showing the position of trees listed in the previous question	image.jpg (download)
Please provide a reason why you wish to perform these works	We can provide photos of the Conifer trees in question, all work requested on these trees is to either try and protect the trees, or prevent damage and danger to the trees, public and properties in the future, as all trees are in close proximity to the houses and gardens nearby. In our sketch plan attached, the red circles indicate the 4 dead

	Conifer trees, the purple circle indicates the Oak tree, and the large blue oval indicates the group of Conifers that need to be topped.
Condition of the trees(s)	Yes
Advice/Diagnostics	image.jpg (download)
Alleged damage to property	No
Report/Evidence	
Are you providing separate information?	Yes
Please provide the reference numbers of plans, documents, professional reports, photographs etc in support of your application.	We have more photos available of the dead Conifer trees if needed, but I am unsure how to upload these.

Authority/Employee

With respect to the Authority, I am	none of the above
Please provide details of the name, relationship and role	

Declaration

Signed - Applicant	Aarn Gevaux
Signed - Agent	Aarn Gevaux
