Customer Details

Address: 56 Forest View Road East Grinstead

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This proposed development will put additional strain on local infrastructure particularly after the recent temporary loss of water supply and the continuing hose pipe ban which demonstrate that water supply is already overstretched. There is also a shortage of GP and dental facilities. Also concerning is the potential for additional development included in the layout indicating that these 44 properties will lead to further development already planned for not too distant future. Has there been any review of the effect on the Ashdown Forest

which I believe has to be considered for developments within a certain distance of the forest itself?

Kind regards
