Dear Stephanie Murphy,

Thank you for submitting your site registration form (**RC064-12880A**) received on **16/01/2026** for **Stonehurst, RH17 6TN, TQ 343316**.

Based on the information provided, Natural England is satisfied that the works fall within the remit of WML-CL21 and that the three tests have been met. Please accept this email as confirmation that the site is now registered and you can commence works on site as described in your site registration form and in accordance with class license WML-CL21.

Please find attached a **licence return form** which you must **complete and return to Natural England** (BatLowImpactCL@naturalengland.org.uk) within 4 weeks of completion of licensed works. If works will continue longer than you have indicated in your site registration form, please inform Natural England as soon as possible; otherwise your licence return will be expected no later than **28/07/2026**.

Details of Natural England Charges:

Natural England has considered the Charge Screening Form submitted with your Site Registration and we agree with your assessment of charges.

Confirmation of your Site Registration will be charged at a fixed rate price of £135.

If you have any further queries in relation to this site registration, please do not hesitate to contact us on our email address below.

Kind regards,
