Dear Debbie,

Further to your email of 18th June 2026 regarding the above, and in light of the comments from the Council's Flood Risk and Drainage Team, the applicant has asked that I formally withdraw the application.

If you are able to make the necessary arrangements and forward confirmation of its withdrawal in due course, I'd be very grateful.

Kind regards,
Sarah

Dear Sarah

I hope this e-mail finds you well.

Please be advised that I have received comments from the Council's Flood Risk and Drainage Team, which are attached for your information.

They have advised that the drainage strategy submitted with the application is out of date and have requested that an updated strategy is submitted, that reflects the changes in national policy and the new national standards for SuDS.

I would therefore be grateful if this could be provided.

I hope that the above assists but please get back to me should you have any queries.

Kind regards

Debbie.
