Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The Eastern boundary is incorrect on these plans. The front wall to the left, when facing the church belongs to neighbouring property, Street Lane House. The true eastern boundary of the church is where their buttresses end. We are also concerned that the proposed east windows are invading the privacy of our back garden. Due to the above facts, we object to this current version of the plan.

Kind regards
