Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Due to the safety of pedestrians and in particular young children walking on the road to and from school/nursery, there should not be an erection of 44 new homes in the area. There is regular flooding at Dunnings Mill pub and recently the town faced a water outage for 5 days. Also, it is hugely important in light of the climate crisis that areas of outstanding natural beauty 'AONB' are preserved to protect wildlife and the environment.

Kind regards
