Reasons for comment:	
Comments:	This would cause absolute chaos to HH , I use this route to and from work and while it has been closed for the last 4 weeks it has been near impossible for my commute trebling the time it usually takes to and from work . Also we will have no country side left soon with all the building of new homes and they are not even affordable homes for working class people . Maybe you should put more focus towards repairing and maintaining our existing roads

and properly mending potholes which continue to damage our vehicles and make our roads extremely dangerous for motorists .

Kind regards
