Reasons for comment:	
Comments:	After building the housing estate on the existing roundabout it has greatly affected the water supply to Cuckfield. We have had severe problems when the water supply fails to reach parts of Cuckfield. It happens on such a regular basis that myself and others keep a supply of bottled water. Adding more housing without improving the water supply to Cuckfield is madness. There are insufficient local school places, doctors surgeries and local shops to supply the residents of these proposed properties. The

area is full of houses that our children, born and educated in Cuckfield village are unable to purchase a property they are not suitable for first time buyer's.

Kind regards
