Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We have seen the disruption the closure of Hanlye Lane caused for a period of just a few weeks. With this proposal, the disruption would be months. The local schools and medical practices are already overwhelmed. With seemingly no additional infrastructure to support the proposed new development, where are these new

development residents supposed to join, or is it just a case that the current facilities are expected to deal with further increases?

Kind regards
