Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is something I wholeheartedly object to. What an utter violation of the beautiful countryside. The beautiful views that are met currently arriving at the Hanlye lane roundabout (which it seems has only just been built). The state of Hanlye lane is already poor, and with more traffic, will only get worse and more dangerous. There is already a lack of amenities in the area. Getting a doctors appointment is so hard, dentists are pulling out of the NHS and

the local schools are bursting.
Our water supply is also of grave concern. South East water
cannot cope with the demand at the moment, let alone if we keep
building more houses.
This application should not be considered at all.

Kind regards
