Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object and It is atrocious that this is even being considered! The already over demand for schools, doctors, dentists, water, and the current state of the roads, are already struggling to serve the current population in surrounding areas! The developers always promise to provide more of these within their plans but somehow they never seem to have the budget to actually carry it

through! A huge lie to get planning consent accepted then they
dont provide anything other than housing.

Kind regards
