

BEACONSFIELD
PLOTS 80, 81

This is a detailed architectural elevation drawing of a two-story residential building, identified as Plots 80 and 81 at Beaconsfield. The structure is built from red brick with a dark grey, tiled roof. The facade is symmetrical, featuring a central entrance on the ground floor with a light grey door and a small, dark grey awning. Flanking the entrance are two large, white-framed, multi-paned windows. Above the entrance, there are two smaller, white-framed windows. The second floor has two large, white-framed, multi-paned windows, one on each side of the central vertical line. The building is set against a light blue sky with soft, white clouds. In the foreground, there are green bushes and a grey path leading to the entrance.
