

HARBOROUGH
PLOTS 2, 30

An architectural elevation drawing of a two-story brick house. The house features a steep gabled roof with a small dormer window in the center. The main roof is covered in dark brown shingles. The exterior walls are made of red brick. On the second floor, there are two multi-paned windows with white frames and dark shutters. The first floor has a large multi-paned window on the left and a front door on the right. The front door is light green with a white frame and a small transom window. A small porch with a white railing is located in front of the door. The house is set against a background of a blue sky with white clouds. There are some green bushes at the base of the house.
