Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is the third time I am objecting to this planning application, due to slight adjustments. This mast will cause an appalling eyesore to the surrounding area and will be detrimental to the nature that survives in this area. You have no evidence that this mast will not cause any health

problems to people living nearby and clearly have no understanding of the upset and distress you are causing.

Kind regards
