

FAO: Planning Department,  
Mid Sussex District Council

Application ref: DM/25/2066  
Date: 1 December 2025

## ARCHAEOLOGICAL ADVICE

### RE: Lullings Cottage, West Hill, Ardingly, Haywards Heath

The application is for Demolition of the existing property and adjacent sheds and replacement with a new single storey residential dwelling with two parking spaces.

I have reviewed the additional and amended documents submitted and have found no reason to alter my previous comments.

Accordingly, I continue to have no recommendations in relation to this application.
