Hi Rhett

I have chased this up with WSCC. I've been advised that the person who was dealing with this is off work so it will be reallocated to another officer. Once I have a response from WSCC I'll let you know.

Good afternoon Steven,

I hope you are keeping well.

Has there been any update from WSCC on reviewing the additional drainage information provided? If you could give them a chase, that would be greatly appreciated.

Many thanks

Rhett
