Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Leylands Park is a big part of our local community and it would benefit so many people if it was converted to a 3G Artificial Grass Pitch. It would enable the local teams from the youth squads up to the First team to play and train all year round. It could also be used for many activities that would support other local groups.

Kind regards
