Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Yes I agree that this should be done. The Church has lots of functions each year and thousands of people attending - including bonfire night, Easter, Swing event in Autumn, Christmas events and this parking will be a godsend.

And the car parking will also help make it easier for the local Rugby Club and the various Sports Club activities, taking cars away from parking on the verge of the road and blocking their facilities.

Overall it will be so much easier.

Kind regards
