Details of the pre-application advice received

Emily wade responded by email on 15th August 2025.

The advice was given in response to each alteration in turn:

1. Garage conversion - this was deemed acceptable given the retention of key features and subject to the ability to remove the interventions in the future
2. Entrance lobby, WC and ensuite - This was deemed acceptable, subject to an amendment to the extent of modifications to the hallway partition, which has been addressed within this application in line with advice received.
3. Kitchen and dining room - widening of opening between kitchen and dining room deemed acceptable. Widening of opening between dining room and hallway was considered detrimental to legibility of existing configuration. The extent of the widening of this opening was been significantly reduced to retain legibility in line with advice received.
4. Lounge area. Proposed widening of opening in existing wall deemed acceptable subject to the retention of a nibs and downstand beam.
5. Modifications to external openings - deemed acceptable subject to details
6. Modification to courtyard window - deemed acceptable and non-contentious subject to details.
7. Modifications to principal bedroom - deemed unacceptable. This has been removed from the proposed application.

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
