Restrictions/Special care requirements:	Upon arrival at the gate from Warninglid Lane, you will need to press the 'CALL' button on the digital keypad and announce what you are delivering and for whom. You are to then make your way through the entrance at Postcode RH17 5TG. Do not arrive at any other gate as you will be refused entry and turned away.

	<u>PROCEED DEAD SLOW ON THE PREMISES</u> MAXIMUM SPEED ON SITE – 5MPH –BEWARE THERE ARE MANY OTHER CONTRACTORS WORKING ON OTHER PROJECTS THROUGHOUT THE ESTATE. <i>Make your way to the top of the hill following the Baxall signage as per the below plan: -</i> Logistics Plan  The Logistics Plan diagram shows a site layout with various zones and routes. A legend on the right lists: Wetline (yellow), Wheel Wash (grey), Material Storage (red), Vehicle Turning Area (dashed line), Crane Base (green), Pedestrian Route (pink arrow), Area to Stone Up (not under building) (light blue), Holes Fencing (blue line), and Stopped Up Contractors Parking (pink area). The plan includes a 'Contractor Parking Area' (pink), a 'Crane Base' (green), and a 'Vehicle Turning Area' (dashed line). A yellow box notes: 'Perimeter of the building to be stoned up for telehandler access and for safe foot of the scaffold'. Another yellow box notes: 'Suggested boundary for compound to allow for adequate storage and turning for larger vehicles. This area would be stoned up to keep the roads clean and to stop vehicles from getting stuck'.
Instructions:	<u>ALWAYS</u> report to the Site Manager on arrival at site. Identify your drop location – no responsibility will be taken for miss-delivery or un-endorsed delivery notes – contra charges for double handling will be made. <i>Always obey site signs!!</i>
