## MID SUSSEX DISTRICT COUNCIL

**DM/25/1144**

**23 Foxglove Close, Burgess Hill, West Sussex, RH15 8UY, , ,  
T1 - Oak - Reduce lowest lateral bough to lessen wind loading by 1m back to suitable growth  
points.  
Clark**

Permission is sought for the works as described.

The tree is a mature specimen with veteran characteristics, located in the rear garden. There is substantial dead wood in the crown, not inconsistent with the tree's age. Visibility is limited to views over roof tops.

Works relate to a branch overhanging neighbouring land which has previously been reduced.

Works will be limited, and will not impact unduly on the long term health or amenity value of the tree.

Permission is recommended.

Decision:      Permission

Case Officer: Irene Fletcher
