MID SUSSEX DISTRICT COUNCIL

DM/25/1388

**63 And 65 Savill Road, Lindfield, Haywards Heath, West Sussex, RH16 2NW, ,
Oak - Reduce back to previous cut points (approx 2-3m) and remove all epicormic growth on
main trunk.**

Mr V Purdue And Mrs C McLeod

Permission is sought for the works as described.

This application has been the subject of a pre application meeting.

The tree is a mature specimen located in the rear garden along the boundary with both properties. There is some public visibility. The tree has previously been heavily reduced and there is substantial regrowth which overhangs garden buildings and neighbouring land.

Works will repeat those previously carried out and will not unduly impact on the long term health or amenity value of the tree.

Permission is recommended.

Decision: Permission
